85,000 in Russia.
45,000 in Austria-Hungary.
29,000 in Great Britain.
23,000 in Germany.
13,000 in North America.
10,000 in other countries.

Jews officially seceding from the Jewish community without joining any other, and children of mixed marriages, are not included in these figures.

(c) *Baptisms at the Present Time*

In the twentieth century the number of baptisms has increased everywhere. In Hungary the average number of Jews baptized each year was—

1896-1900	261
1901-1905	420
1906-1907	365
1919	7146
1920	1925
3921	827
1922	499
1923	412
1924	433
1925	458
1928	451
1929	588

The enormous increase in 1919 was due to the White Terror, many Jews hoping to escape its persecutions by baptism.
The figure for 1929 still represents a loss to Jewry of 1*5 per thousand.
In Hungary the conversions to Judaism were as follows:

1919	137
3920	168
1925	243
1926	340
1927	311
1928	315
1929	326
1930	271
1931	204
